

**OUR MISSION IS TO
DEMONSTRATE THE
LOVE OF CHRIST TO
PEOPLE IN NEED**

WHATSOEVER YOU DO

Whatsoever You Do is a non-profit that has been supporting the Missionaries of Christ Marie Alphonse and founder Sister Luvia Joseph. It was started by members from St. Joseph and St. Pius X Parishes in West Michigan who recognized that the scope of Sr Luvia's mission would require significant support.

Over the last twenty years, we have helped Sr Luvia provide education and nutrition for tens of thousands of children in her schools and orphanage.

IMAGINE HAVING THE DESIRE TO HELP YOUR COMMUNITY BUT NOT HAVING THE TOOLS

The Haitian people are incredibly proactive in wanting to help their communities but are often limited by the lack of funding and resources available. We want to change this.

The Religious Brothers of Saint Alphonse Marie of Liguori of Jacmel in Haiti are seeking sponsorship for the purchase of a small tractor and farming equipment. These vital tools will help increase production and enable the Brothers to provide for themselves and others in their community.

The tractor and farm equipment will be used to prepare the Brothers land for planting. Currently, farming is done manually which means it's very labor intensive and low in yield. This tractor will enable a single person to produce better results in four hours than twenty people could do in a single day.

The Brothers will also lease out their services to local farmers for a small fee to generate income. Many of the local farmers struggle to provide for their families so having access to more efficient equipment will greatly improve their daily lives.

"Through efficient mechanization, the tractor will help liberate many valuable hours and energy for the farming families which they can use in other productive and recreational activities while still increasing their cultivated area and food output."

– Professor Luis Flores,
Michigan State University

HOW CAN YOU HELP?

The tractor and equipment will cost \$60,000 and while we've applied for grants to cover most of this, we still need further support.

If you feel called to make a financial donation, you can do so online at www.whatsoeveryoudo.net or by sending a check to Whatsoever You Do, c/o Sandy Wolniakowski, PO Box 156, Pewamo, MI, 48873.

Please mark all donations "Tractor" if you'd like your gift to be used for this project. Donations not marked will be wired to Sr. Luvia for the support of the schools/orphanage.
